Introducing the tuned car. 1966 Buick.

What makes a car a car is styling, performance, ride and handling. Only when they're all tuned together is the car a Buick. Like this '66 Riviera Gran Sport.

Every last thing that goes into a Buick — suspension, body mounts, shock absorbers—not only has to work, it has to work with everything else. That's tuning.

Tuning is what we do more of (and care more about) than anybody we know of. And then we go out and test it in more places, too. On roads like the ones you'll be driving on. Why we do it will be obvious when you take your first ride. The tuned car rides and handles as handsomely as it looks. (Tuning may be hard to explain. But it's easy to notice.)

What the tuned car will do for you. And your family. For a start, the new Riviera

will comfort you. You'll see that when you slip into the Riviera's new bench seats. Space for six. If you like buckets, they're available, with a reclining arrangement for the right-front passenger. And we have another comforting option available: a new notch-back seat that converts from bench to semi-bucket.

Choosing the tuned car. Visit your Buick dealer. Every Buick you see is the tuned car. Riviera, the new international classic. Riviera Gran Sport. *Every '66 Buick.*

And with a choice like that, how in the world can you go wrong?

Wouldn't you really rather have a Buick?

ESHMONT MEMORIAL AWARD

One of the high points of every Forty Niner season is the presentation of the Len Eshmont Memorial Award, an annual award established by the late Anthony J. "Tony" Morabito. The announcement of the 1965 winner will be made today.

The award is a tribute to Len Eshmont, a member of the original San Francisco Forty Niner team in 1946 and one of the most beloved of all Forty Niners. The inscription on the plaque in the San Francisco Forty Niner office reads, "Awarded annually to the Forty Niner player who best exemplifies the inspirational and courageous play of Len Eshmont." Eshmont, a Forty Niner from 1946 to 1949, was a graduate of Fordham University. He coached at the Naval Academy and the University of Virginia before his death in May, 1957.

The winner of the Eshmont Award is selected by the 49er players in a secret ballot on the night before the final game of each season. The honored player receives a \$1,000 watch, and his name is inscribed on the Len Eshmont Memorial Award plaque. Previous winners are Y. A. Tittle (1957), Joe Perry (1958), J. D. Smith (1959), Dave Baker (1960), Leo Nomellini (1961), Dan Colchico (1962), Bob St. Clair (1963) and Charlie Krueger (1964).

SCOUT REPORT

"Championships are won on defense," says Green Bay Coach Vince Lombardi, and because he has one his Packers are in a position to win their first Western Conference title since 1962.

It's right there in the standings. The Packers are 10 and 3 with two games to play. They're in first place ahead of the Baltimore Colts, who have a record of 9-3-1 (not counting Saturday's game against Los Angeles).

The Packers, who lost three of their five previous games before defeating Minnesota and Baltimore the last two Sundays, have been a much-maligned team since opening the season with six straight victories.

But the fact remains they have allowed opponents only 173 points while the next fewest permitted in the entire National Football League is 225 by the Colts.

The Packers' problem is that their image, built in the title years of 1960 through 1962, is one of a powerful, grinding, crushing offense, and their 1965 offense has not been that. Eight teams in the league have scored more points than Green Bay.

But one Packer trait has remained constant. Green Bay makes few mistakes, and it is quick to capitalize on those of others.

Lombardi says, "If a player makes a mistake, he should know it. You shouldn't have to tell him about it. And if he doesn't know it, he's not the kind of player you want on your team. There's no need to tell a boy about a mistake after a game. If we all do our jobs during the week, Sundays will take care of themselves."

The Packers obviously have learned this lesson well. An analysis of NFL team statistics proves it. Consider these tables:

1966 Ford Galaxie 500/XL

Ford luxury comes in very sporty packages

XL, in one low, sleek, glittering, swift-moving package of performance — brings you more luxury than you might expect in such a decisively *go* car. Standard equipment includes: bucket seats; console shift; hefty 289-cu. in. V-8; Cruise-O-Matic transmission; deep wall-to-wall carpeting. You name it and you haven't named enough.

The 1966 XL offers still greater luxuries as optional equipment. You can order our new Stereo Tape System and get over 70 minutes of your favorite music on instant-

change tape cartridges. Completely automatic. You can have your XL air conditioned or equipped with front disc brakes, or a vinyl-covered hardtop roof. And more.

Something else you'll enjoy in the 1966 XL is a fantastically quiet ride. This results from Ford's advanced body-chassis-suspension engineering. Drive this 1966 Ford XL . . . and listen! Just one quiet test drive can establish XL as the standard by which you judge luxury, performance, quiet ride, and value in any new car this year.

THIS WEEK IN THE NFL

THE WEST

THE RACE The scramble for the Western title goes down to the final day of regular season play with three teams still in the championship picture. Green Bay (10-3) can win it today in Kezar with a win over the fourth place San Francisco 49ers (7-6). A Forty Niner victory could give the crown to the Baltimore Colts (9-3-1), who met Los Angeles (4-9) yesterday. A Ram win would eliminate Baltimore. Chicago (9-4) must hope for Packer and Colt losses to earn a tie with Green Bay. The Bears meet Minnesota (6-7).

THE STARS Two of the greatest individual performances in NFL history were seen last week. Gale Sayers, the Chicago Bears' rookie sensation, scored six TDs against San Francisco to tie the NFL record held by Ernie Nevers and Dub Jones . . . Paul Hornung, an eight-year veteran at Green Bay, led the Packers' move into the Western lead with five touchdowns . . . Roman Gabriel threw two TD passes in Los Angeles' 27-3 win over St. Louis . . . Gale Sayers' 61-yard TD run was the only touchdown scored in Chicago's 13-0 winner over Baltimore . . . Minnesota's Fred Cox kicked four field goals, including a 53-yarder good for a club record, in the Viking's 19-24 loss to Green Bay . . . Reserve quarterback Zeke Bratkowski fired the winning TD pass for the Packers . . . John David Crow ran for 79 yards in 14 carries to lead San Francisco to a come-from-behind win over Detroit.

THE EAST

THE RACE The Cleveland Browns (10-3), early winners in the East, meet the St. Louis Cardinals (5-8) in St. Louis. The Browns will meet the Western winner in the NFL championship game January 2 in the home city of the Western champion. The New York Giants (7-6) hope to win a trip to the Playoff Bowl by defeating Dallas (6-7) in New York. Pittsburgh (2-11) travels to Washington (5-8). The Philadelphia Eagles (5-8), shooting for a possible third place tie, host the Detroit Lions (5-7-1) in an inter-conference game.

THE STARS Rookie fullback Tucker Frederickson scored three TDs in less than four minutes to lead New York to a 35-10 win over Pittsburgh . . . Don Meredith tossed two TD passes and scored on an eight-yard run in Dallas' 21-19 victory over Philadelphia . . . Jethro Pugh blocked a Steeler field goal attempt to set up one of the scores . . . Frank Ryan's TD passes to Gary Collins and Tom Hutchinson and Jim Brown's 20th TD of the season were enough to give Cleveland a 24-16 win over Washington . . . The Philadelphia Eagles tied an NFL interception mark by snaring nine Pittsburgh Steeler aerals in a 47-13 Eagle win . . . Earl Morrall and Homer Jones teamed up for a 74-yard pass play in New York's 27-10 decision over the Washington Redskins.

YOU GET BETTER TASTE FROM BEER IN

No-deposit Non-return Bottles

You add to your enjoyment when you buy beer in glass bottles. No metallic tinge—just the pure flavor of the brew which your brewer put into it.

Beer in one-way, no deposit bottles costs no more than cans. More sanitary because bottles are sterilized before filling . . . and the cap protects the pouring lip from dust and germs.

**Glass-for beer
as beer should taste**

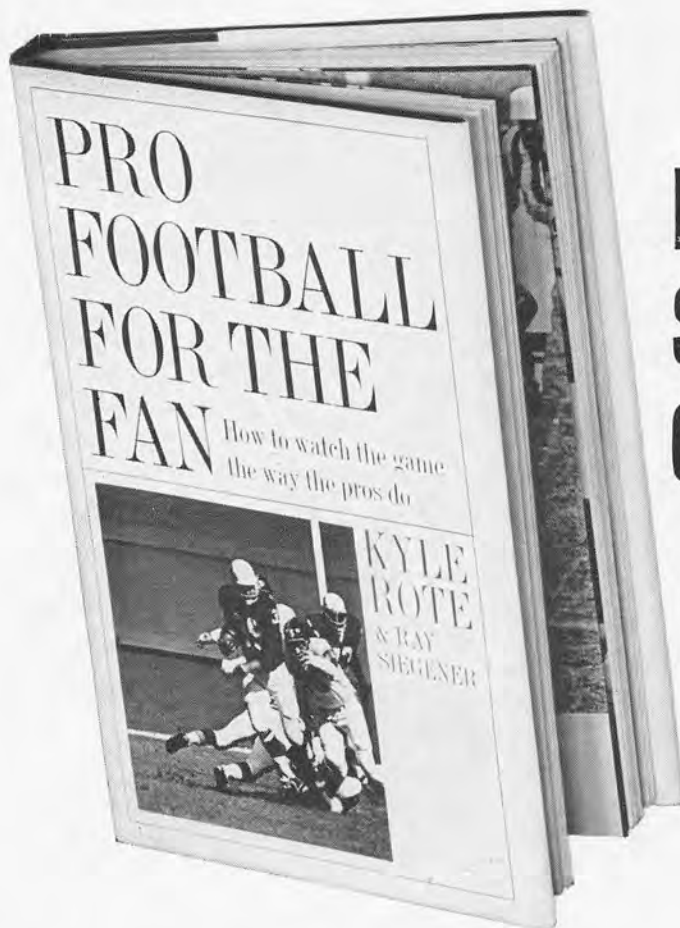

How GLASS helps health

Today, glass bottles and jars make life more pleasant, convenient and healthful for people all over the world. Glass bottles protect the purity of baby foods—protect and preserve the fresh-picked flavor of your favorite juices, fruits and vegetables. Glass jars reseal easily, store well in your refrigerator and keep food fresh for each new serving. Glass itself is so pure it cannot change the flavor of the contents or alter the most delicate aroma. Glass bottles keep milk clean and pure. There's nothing in glass to change dairy-fresh flavor. Since glass is weather-proof, it always protects quality, consistency and flavor; its clarity lets you see natural quality at a glance.

How do the pros handle athlete's foot?

They follow their trainers' advice and use **Desenex®** for prevention and treatment.

It's excellent protection against itching, cracking and irritation of Athlete's Foot. Helps prevent spreading, too. No wonder Desenex is used by all NFL trainers.

We know you don't have a trainer to keep you on your toes. But that's no reason to suffer from Athlete's Foot. Start using Desenex yourself. Get Desenex Powder or new, cooling Desenex Aerosol for daytime use—and Desenex Ointment at night. Desenex is guaranteed to work or your money back.

Linc Kimura, well-known Forty Niners trainer, recommends Desenex to all his players for prevention and treatment of Athlete's Foot. He finds it really works!
